

Welcome to MADTA's agility trial. Thank you for your entry. The trial has now closed. This is all the information you need to know to get here and have fun with your dogs. Please check your confirmation carefully. If there are any errors contact Jacqui O'Neill, Trial Secretary, immediately at barc4agility@gmail.com. If you need to make corrections, please put "MADTA entry" in your subject line.

Please adhere to the following guidelines:

- Please pick up after your dogs.
- Dogs must be on leash at all times when not in the ring or using the warm-up jump - no exceptions!

MADTA is happy to announce they have a **new Clip and Go Teeter**.

Chuck A Duck 50/50 will be used as a fundraiser for new tunnels and a wall jump.

There will be **run thrus on Thursday**, 10/1 from 4:00-6:00 for \$5/run to help raise funds for new tunnels and a wall jump.

CRATING IS ALLOWED IN THE AIR-CONDITIONED BUILDING. The building will be open **Thursday, 3:30-5 pm** to allow setup time for exhibitors who wish to crate inside. You must put mats under your crates/chairs to protect the flooring. There is plenty of room for everyone, but if you are taking up too much space, you may be asked to condense your area. If you are crating inside the building, please allow parking closest to the ring for those who are working out of their cars. **NO CRATING IS ALLOWED IN THE PARKING AREAS!!**

The site is open at 7:00 am for each day of the trial.

WALK-THROUGHS will run as follows (but may change at judge's/committee discretion): Excellent/Master JWW and STD classes will be split 4-16 and 20-24 on all three days (alternately starting with big or little each day). All other classes will have one walk thru.

Maps will be sent to exhibitors after midnight each trial day and posted at the trial.

Running Orders will be posted to my website before the trial (which means daily move-ups are not included). Access this information at www.barc4agility.com, click on Events.
